

## Cornwall Wildlife Trust 2009 speakers list for an adult audience

- The listed speakers give talks (and where stated walks) on a range of wildlife subjects.
- Speakers are not necessarily affiliated with the Trust.
- The speakers are willing to be approached directly by groups wishing to arrange talks.
- Please contact speakers direct to make a booking.
- In most cases travel expenses are included within the fee, but extra charges must be made where large distances are involved. Their fees are per talk, unless otherwise stated.

\*Speakers marked with an asterisk can also talk on the work of Cornwall Wildlife Trust or incorporate it into their presentations.

Please obtain an updated list each year to avoid troubling speakers who have resigned from it.
