

Cornwall Wildlife Trust

*Protecting Cornwall's wildlife
and wild places*

We're looking for a new Treasurer...

Hello...

Cornwall Wildlife Trust is the leading conservation membership charity in Cornwall. We work with one and all to create a wilder Cornwall with people close to nature, and with land, rivers and seas rich in wildlife.

We're looking for a new Treasurer and potentially other new Trustees with proven strategic and operational financial skills.

If you share our values and you believe that you have the proven skills, experience and behaviours , please send your CV and covering letter in the first instance to recruitment@cornwallwildlifetrust.org.uk by Monday 30 September.

Thanks for your interest,

Stephen

About us:

- Cornwall Wildlife Trust has been protecting Cornwall's wildlife, both on land and in our seas since 1962.
- The Trust is the county's leading wildlife conservation charity, with over 17,000 members which includes over 4,500 junior members and 160 Business Supporters.
- Cornwall Wildlife Trust has Local and Specialist Groups based around the county. All play an important role in the Trust's work and are always looking for more volunteers.
- The charity manages 57 nature reserves all over the county, including a range of habitats such as woodlands, meadows, wetlands and heaths.
- The Trust runs a number of marine and terrestrial based conservation projects in partnership with others – these include [Upstream Thinking](#), [Penwith Landscapes Partnership](#) and [Your Shore Beach Rangers](#).
- The Trust hosts the [Environmental Records Centre for Cornwall and the Isles of Scilly](#) (ERCCIS).

More about us:

- The Trust relies on charitable donations, grants and the generous support of its members and the general public to raise more than £2.2 million every year. Money raised is spent on wildlife conservation and education in Cornwall, for present and future generations.
- The Chief Executive sits on the board of Cornwall and the Isles of Scilly Local Natural Partnership who launched “[Cornwall’s Environmental Growth Strategy](#)” in 2016
- The Trust is one of 47 in the UK. Together, they make up the Royal Society of Wildlife Trusts.
- Cornwall Wildlife Trust also runs [Cornwall Environmental Consultants Ltd](#) – a consultancy business providing professional ecological, landscape and tree advice and consultancy services to developers, utility companies, landowners and farmers.
- The Annual Review for 17/18 can be viewed [here](#)

Our Strategy:

Wilder CORNWALL

wilder places
wilder people
wilder future

Wildlife and wild places
across Cornwall are in decline.

Action is needed now.

We work with one and all to create a wilder Cornwall
with people close to nature, land and seas rich in wildlife

“ Every space in
Britain must be used
to help wildlife. ”

Sir David Attenborough.

Wilder Places

more land, rivers and seas
managed well for wildlife

We will:

- grow our suite of nature reserves and manage them to be the best sites for wildlife
- run wildlife projects on land and in rivers and seas
- support and advise people who own and manage land and whose activities impact on our seas and rivers

Wilder People

more people taking action and
connecting with nature

We will:

- raise awareness and inspire people to take action for wildlife
- speak out on behalf of our members and campaign to help Cornwall's wildlife
- work with communities to record and understand the state of Cornwall's wildlife and wild places

Wilder Future

more decisions that secure the
recovery and growth of wildlife

We will:

- use our knowledge and experience to influence the plans and decisions of others
- play our part in fulfilling Cornwall's commitment to environmental growth
- engage and inspire the next generation of decision makers

Our Values:

- We put wildlife and wild places first
- We are passionate about what we do
- We are accountable, open and we act with integrity
- We work as one team
- We value diversity and respect the views of others

Our People:

- Our staff, trustees, volunteers and members are our biggest asset
- We support our people, communities and our partners to be confident with the skills to deliver a wilder Cornwall

Our Resources:

- We will spend our time and our money wisely
- We will raise funds and generate income to fund our work
- We will consider the environmental impacts of how we work
