

ANNUAL GENERAL MEETING 2021

How to register...

The council has decided to hold our 2021 AGM remotely, on the Zoom videoconferencing platform that we used last year. With continuing uncertainty about the prospects for 'in person' events, we believe that videoconferencing will remove the risk of last-minute changes of plan and offer more members the opportunity to participate in this important event.

Craig Bennett,
Chief Executive for
The Wildlife Trusts will be
joining this year's AGM.

**Don't miss this opportunity
to get updated on all
things wild!**

This is no ordinary AGM. For the first time in almost 50 years updated governing documents will be put to the membership, following on from consultations on the Trust's new strategy that are taking place over the summer. We want as many of you as possible to take up this opportunity to shape the future of Cornwall Wildlife Trust.

However, if the on-line format presents you with accessibility challenges please let us know in advance, supportercare@cornwallwildlifetrust.org.uk, and we will do our best to assist you.
