Compost

Links With

Compost Components

You Will Need:

Compost Ingredients (either leftovers from lunch OR for a no mess approach print and cut up the pictures on the download.)

Compost area/bin (real or imaginary)
Home and commercial

General waste area/bin (real or imaginary)

Recycling area/bin (real or imaginary)

Optional Extras: *Compost Stew an A to Z Recipe for the earth* by Mary McKenna Siddals, card, glue

Activity Plan:

1. Go through each ingredient and sort them into piles of how to dispose of them.

If you have the compost stew book then read it aloud and as each ingredient comes up participants can sort it into the right pile

2. Check your answers against the answers at the end of the printable download.

Optional extra: Have participants stick the images to some card creating an informative do and don't compost poster to display next to your compost bin.
